

ADVANTAGE ACCOUNTS

About Us

A modern approach to accountancy

Advantage Accounts provides a suite of contemporary accountancy services to help businesses around the UK manage their finances more effectively.

Our flexible accountancy packages have been designed to provide you with the support and advice you need to keep your business running smoothly.

From company formation to VAT services and office administration, we have an accountancy, taxation, payroll or outsourced service to benefit your business.

Every business needs accountancy support that they can rely on

“ I would definitely recommend Advantage Accounts to anyone looking for accountancy or other business services. ”

Martin Turnbull, Director, Aircare Coventry

What Makes Us Different?

We provide our clients with a personal and higher level of accountancy support to ensure that they achieve their business goals.

1. Bespoke Accountancy Services

- accountancy packages developed to suit your needs
- existing packages available for contractors and franchisees

2. Complete Financial Visibility

- manage your money 24/7 via our web portal
- increase your profitability through improved visibility
- oversee business projects at the touch of a button

3. Personal Accountancy Support

- regular contact with your dedicated accountant
- additional support from our specialist tax and payroll teams
- on-site visits from our accountancy team
- advanced internal systems allowing fast access to your financial details

Our Clients

Advantage Accounts works with businesses from a diverse range of sectors including engineering, IT, retail and medical.

Whether you are a contractor, franchisee or running your own business, we have an accountancy solution to help you manage your finances.

Contractors: Our clients enjoy full visibility and control of their finances through use of our web portal, plus a range of specialist limited company services.

Franchisees: Our franchisee accountancy packages remove the hassle of organising business finances and are suitable for both limited companies and sole traders.

Other Businesses: Our web based invoicing and debt management system helps SMEs to increase profitability through improved financial visibility and more effective debt chasing.

“ Top class service from a very friendly and professional team. ”

Robert Marson, R D Marson Limited

“ Advantage Accounts has saved me literally tens of thousands of pounds by chasing payment for hundreds of small invoices... freeing me to focus on building my practice. ”

Paul Nicholls, Southam Physiotherapy

“ Advantage Accounts are an efficient, reliable firm and provide a hassle-free service. ”

M Harper, Tax Client

The help and support I have received from the Advantage Accounts team has been invaluable.

Robert Francis, Soluting Technology Limited
